

MBE SCORE TRANSFER AND SCORE ADVISORY REQUEST FORM

TO: APPLICANTS WHO SAT FOR THE MULTISTATE BAR EXAMINATION IN VIRGINIA

After the Virginia Board of Bar Examiners (VBBE) has released its examination results, VBBE offers two score reporting services: (1) transfer an applicant's scaled MBE score from Virginia to another jurisdiction when the applicant is applying for admission, or (2) inform an applicant whether, based on information from such other jurisdiction, the MBE score previously earned in Virginia meets the requirements for admission without examination in the other jurisdiction. VBBE will not release a precise MBE Score achieved in Virginia to an applicant. PLEASE NOTE: Concerning (1) and (2) above, VBBE has no information concerning which states accept MBE scores obtained by taking Virginia's exam. FOR SPECIFIC REQUIREMENTS AND LIMITATIONS, YOU MUST CONTACT THE JURISDICTION DIRECTLY. There is a \$40.00 charge for each score transfer transaction and a \$30.00 charge for each score advisory.

Payment must be in the form of a **cashier's check or money order only** made payable to the *Virginia Board of Bar Examiners*.
